Hi Lori,

Thanks for checking in, I hope all is well with you too! There was a small amount of looting in Champaign one day a couple weeks ago, but everything since then has been peaceful. Illinois is allowed to have outdoor seating only for restaurants and many have set up tents in their parking lots to do so. All retail and salons are open now, with masks, social distancing, etc in place. We are continuing to work remotely and while some campus employees are starting to return to on-site work, I predict that Advancement will remain remote for some time since our duties can be done remotely and there will need to be an overall reduced capacity on campus.

No need to include anything with the check, simply write on the memo line that it is for the "Grainger Engineering Priority Fund" and UIF will be able to match it up to the pledge. Please send the check directly to our lockbox in Chicago:

University of Illinois Foundation

P.O. BOX 734500

CHICAGO, IL 60673-4500

Mail to

We are going into the Green Street office about once every other week but the lockbox is checked daily.

Let me know if I can provide any additional information.

Stay safe!

Rachel
